

**Mt Pleasant Baptist Church**  
**Youth Chaperone Agreement**

By signing this agreement you as a chaperone agree to adhere to all policies and rules of Mt Pleasant Youth and Church. The Chaperone is representing the church and the kids. In addition to signing this agreement you pledge to be a positive Christian role model to the youth, respect the Youth Leader and his or her authority, participate in all activities and always encourage the kids to be active in the group when on the trip or outing.

If you disagree with the leadership, you agree to question said Leader privately. You are allowed to disagree with the leader, however they have been chosen to lead the group. After seeking counsel with all chaperones and leaders on the trip, the youth leader will have final say based on what is best for the group.

If the Youth Leader is somehow unable to lead the group during the trip or outing, the Leader will appoint another leader. When this leader is appointed, as a chaperone, you agree to treat him or her with the same respect as the original Youth Leader.
